PROFILE

Industrial Engineering & Management student combining **digital marketing, SEO, AI and analytics** to develop data-driven campaigns, product narratives and digital experiences. Hands-on experience across **content strategy, social media, PR, sponsorships and event marketing**, with practical use of Generative AI, Excel, Python, SQL and HTML/CSS.

EDUCATION

M.S. Ramaiah Institute of Technology (MSRIT), Bangalore **2023 – 2027**
B.E. in Industrial Engineering & Management ***CGPA: 7.99***

EXPERIENCE

Aureeture AI **Jul 2026 – Present**
System Testing Intern

- Evaluate end-to-end recruitment workflows across talent, recruiter, interview and application journeys, identifying **user-experience, workflow and product-quality** issues.
- Investigate product behavior through browser and network analysis, reproduce defects and communicate findings through structured **documentation and Jira reporting**, strengthening product feedback and cross-functional communication.

Unified Mentor **Jul 2026 – Aug 2026**
Data Analyst Intern

- Cleaned, structured and analyzed datasets using **Microsoft Excel** to identify trends, patterns and decision-relevant insights.
- Translated analytical findings into structured reports and **data-driven narratives**, supporting clear communication and business-oriented analysis.

Escaleit **Mar 2025 – Jan 2026**
Founding Member & Content Strategist

- Managed **content and digital marketing activities across 7+ client projects**, supporting content strategy, brand positioning, social media planning and digital communication.
- Planned and executed **campaign concepts, content calendars and promotional initiatives**, collaborating across creative and business functions to strengthen client visibility and engagement.

IEEE RIT-B **Jan 2025 – Jan 2026**
Execom Member – Public Relations & Sponsorship

- Planned and maintained **chapter marketing and PR strategies**, supporting social media communication, promotional activities and audience outreach for student-led initiatives.
- Engaged with **5+ prospective sponsors and external partners** for college events and chapter initiatives, supporting sponsorship outreach, communication and promotional coordination.

PROJECTS

AI-Powered Marketing Intelligence Dashboard *Marketing Analytics & Generative AI*

- Built a marketing analytics solution combining **campaign performance data and Generative AI** to identify audience behavior, content trends and growth opportunities.
- Analyzed **reach, engagement, conversion and content performance** to identify high-performing content and campaign patterns.
- Converted findings into **data-driven marketing recommendations** for content planning and campaign optimization.

Digital Campaign & Social Media Performance Analytics *Digital Marketing & Data Analytics*

- Developed a framework to evaluate **social media engagement, reach, impressions and content performance** across content formats.
- Compared content-level performance to identify **audience preferences, engagement patterns and content opportunities**.
- Translated campaign data into **actionable recommendations** supporting data-driven content and campaign planning.

AI SaaS Landing Page & Product Content Strategy *Web Experience & Product Marketing*

- Developed an AI SaaS product experience centered on **product positioning, value proposition, messaging and conversion-oriented content**.
- Created a responsive landing-page experience using **HTML/CSS and Generative AI**, translating technical capabilities into accessible customer-facing narratives.
- Structured **feature stories and calls-to-action** around user needs, product clarity and effective digital communication.

SKILLS

- **Product & Content Marketing:** Product Marketing, Content Marketing, Content Strategy, Product Storytelling, Brand Positioning, Customer-Facing Narratives, Social Media Marketing, Campaign Planning, Event Marketing, Public Relations, Sponsorship Management
